

Inside The Home

The ground floor comprises a one-bedroom flat with two reception rooms, a generous kitchen and bathroom, together with the added benefit of a private rear yard.

The first floor provides a two-bedroom flat with a generous living room which flows beautifully into the kitchen, complemented by a spacious bathroom.

Completing the property, the second floor offers a further two-bedroom flat featuring a large open-plan living, dining and kitchen space, together with a shower room.

The property does require a degree of TLC and modernisation, but the potential is clear. With its spacious accommodation, versatile layout and established arrangement as three separate flats, a new purchaser has the benefit of a ready-made block with scope to enhance and maximise its appeal and rental potential in the sought-after village of Bare.

The property is offered for sale with No Chain and, subject to agreement, can be sold with an existing tenant in the ground-floor flat. This provides an incoming purchaser with the opportunity to acquire an investment with an established tenancy from day one.

An excellent opportunity for those seeking a substantial property with genuine potential in one of the area's most desirable locations.
