

### Location

A well-proportioned modern family home at the end of a quiet street on the Heysham Mossgate development. You are surrounded by green spaces, perfect for those with children and pets, with coast and country a short journey away, brilliant for outdoor activities such as walking and cycling. Transport links to Heysham, Morecambe and Lancaster open up the plethora of shops, amenities and attractions nearby, with the M6 motorway easily accessible for travel further afield.

### Modern Living

The house has a contemporary feel throughout, with recent updates such as the new kitchen, orangery extension, updated bathrooms and carpets adding to the fresh feel of the home. Two reception rooms provide comfortable spaces to relax and entertain, open to the orangery at the rear of the house providing additional space for seating and dining. The stunning new kitchen features top of the range appliances and a sleek contemporary look, with a wide double glazed window looking into the rear garden. A dedicated utility room and downstairs WC provide useful additions for busy family life.

### Sleep Sound

With five bedrooms, one being located on the ground floor in the converted garage space, there is room for all your family members to have a space of their own. Perfect for multi-generational living, the downstairs bedroom could also be utilised as a home office, nursery or hobby room depending on your requirements. The main bedroom at the front of the house fits a superking bed with ample space surrounding it for bedside tables, drawers and display units. A dedicated en-suite shower room and over stair cupboard make this a luxurious sleeping space that can be configured to meet your needs. The front bedrooms boast views over to the fells of the Trough of Bowland, a nearby area of outstanding natural beauty providing a beautiful vista to wake up to each day. The top floor is serviced by the modern grey bathroom featuring a three piece suite and heated towel rail, with stylish grey laminate wood flooring and grey tiled walls, a great space to get ready each day.

### Outdoor Space

Externally the rear garden provides the perfect spot to soak up the sun, with a paved patio seating area directly behind the house and a raised low maintenance artificial lawn area to the rear, perfect for children and pets. As the garden backs onto the nearby green space, you are not overlooked by neighbours, providing a serene and private oasis to enjoy the warmer weather. The front of the house has a driveway that can fit up to three cars, with access to the garage space through an up and over door, currently used as a storage area.

This beautifully presented, contemporary home is move in ready and updated throughout so you can relax and unwind while you add your touch and create your stunning new home!
