Living Room

11'8" x 10'11" (3.56 x 3.35)

This well-proportioned living room at the front of the house is a blank canvas to create your ideal space for relaxing and entertaining. Recently damp proofed and insulated, the bright white room features a double glazed window on the front aspect, providing natural daylight, with a central ceiling light for evening use. A sealed and vented fireplace forms the focal point of the room, with alcoves either side, one side featuring built in storage cupboards which house the utility meters and updated consumer unit. A double panel radiator adds to the comfort, with new skirting boards adding to the fresh feel. With flooring left to add, you can decide on the look and finish of the room, knowing that it will be warm and dry for years to come thanks to the recent works undertaken.

Kitchen

10'11" x 10'0" (3.35 x 3.05)

A new contemporary fitted kitchen with a tiled backsplash sits at the centre of the house, with a double glazed window out to the rear yard providing natural light. Featuring a four ring ceramic hob, integrated Beko oven, an overhead extractor fan and a sink and drainer set into the light wood laminate worktop. A double panel radiator sits beside the new internal door to the living room, with space for a small dining table. A deep understair cupboard provides storage space to keep the clean, minimal feel of the home. An open doorway leads through to the vestibule by the external door to the yard and the new internal door to the bathroom at the rear.

Bathroom

7'2" x 5'10" (2.19 x 1.78)

A well-presented bathroom sits at the rear of the ground floor with a frosted double glazed window on the side aspect. The

suite includes a modern P-shaped bath with overhead shower, a new pedestal sink, a low flush toilet and a newly installed heated towel rail. With neutral tiled walls, two ceiling lights and a new warm wood internal door, you can choose the flooring to complete this modern bathroom.

Landing

2'7" x 2'7" (0.81 x 0.81)

A wooden hand rail leads up the stairs to a small landing providing access to the two double bedrooms. A small overhead hatch provides access to the attic with a wall-mounted light for evening use.

Bedroom 1

11'9" x 10'11" (3.59 x 3.34)

A spacious double bedroom at the front of the house features a double panel radiator beneath the double glazed window, with a central ceiling light above. With ample space for a double bed and storage solutions, the white painted walls and unfinished floor give you free reign to create your comfortable master bedroom. Sockets on all walls and slim alcoves either side of the chimney breast afford you flexibility in its configuration.

Bedroom 2

10'2" x 8'2" (3.11 x 2.49)

The second double bedroom boasts a double glazed window overlooking the courtyard garden, with a double panel radiator below. Great for use as a bedroom, home office or hobby room, a deep overstair cupboard features hanging space and shelving and houses the Worcester boiler for the property. The room features multiple double sockets and the Openreach fibre connection, with flooring left to add to finish the room.

Attic

An attic space above the house offers additional storage, with an access hatch above the landing. The roof space has been upgraded with insulated boarding between the joists, improving the energy efficiency of the home.

Rear Garden

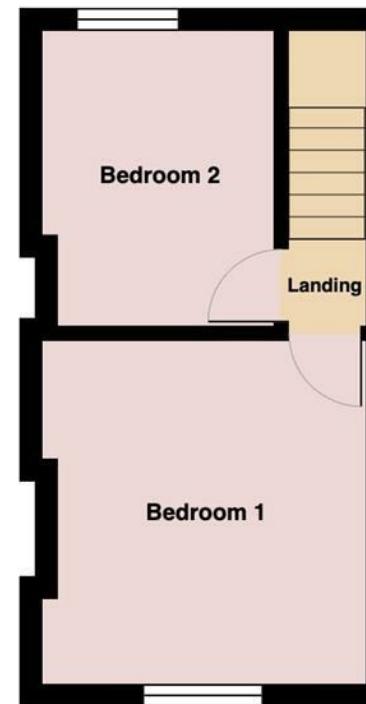

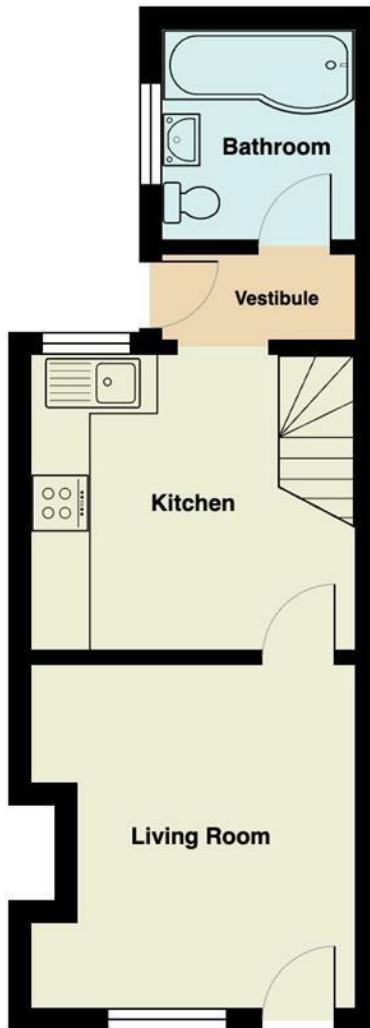

A small courtyard garden offers outside space for seating and plants. Stone walls and a rear access gate make it a safe and secure space for children and pets.
