

Where is it?

The courtyard of five which hosts this property is just off the A6 at Bay Horse, between Lancaster and Garstang. Heading south, Potters Brook is a right hand turn and the courtyard is immediately on your left hand side. The apartment actually fronts on to the A6. The location is fantastic. Lancaster University is a short drive away and the Royal Lancaster Infirmary and Lancaster city centre are a very simple drive in along the A6. For those who commute further, M6 junction 33 is within a three minute drive and Preston, Garstang and even Blackpool and the Fylde Coast can be reached quite easily by car.

The accommodation

This first floor flat with its own front door has a spacious yet cosy lounge, a fitted dining kitchen and three bedrooms (or two plus a study if preferred). The kitchen is impressive with wall and base units with solid wood work top surfaces, a ceramic sink and drainer and plumbing for a washing machine. Neatly finished throughout it should make an ideal first time buy, investment or downsize.

The current set up..

The property is in the process of having a lease set up with terms to follow on. Currently part of the freehold of the wider development it is anticipated that the four apartments will each become leasehold on a long lease. There are two lawned areas within the development and the apartment will have access to both under the terms of the lease. There will also be two allocated parking spaces for the apartment within the development.

Services

The property has electric heating, mains water and a septic tank for drainage.

Tenure

The property is currently within the wider freehold title of LA803552 but work is afoot to make the individual apartments leasehold on a long lease.

Council Tax

Band A via Lancaster City Council
