

Inside The Home

Entry is through a double glazed UPVC door into a useful porch which separates the front door to the main house, providing a practical space for shoes. The property is presented in immaculate condition throughout and offers spacious, versatile accommodation with clear potential for future enhancement. To the ground floor, there are two reception rooms, including a welcoming family lounge which has been extended to the side and rear, creating a bright and airy living space with a skylight and patio doors opening onto the rear garden. The kitchen/diner, also formed as part of the 2010 extension, provides a superb spacious open and sociable area ideal for modern living, while remaining thoughtfully separate from the lounge. The second reception room is currently utilised as a dining room and home workspace, further enhanced by a beautiful box bay window that fills the room with natural light. Additional features include a downstairs WC, a useful utility room for white goods, understairs storage housing the boiler, and access to a substantial garage with a side door leading to the garden.

To the first floor, there are two generous double bedrooms, with the front bedroom benefiting from an attractive box bay window, alongside a well-proportioned single bedroom which includes a fitted cupboard for additional storage. The family bathroom is fitted with a modern three-piece suite and overhead shower. The landing is a notable feature of this style of home, offering an unusually spacious feel and incorporating an airing cupboard which houses the hot water tank and provides further storage. The loft is insulated and fully boarded from floor to ceiling, complete with lighting and a pull-down ladder, offering excellent storage and clear scope for conversion (subject to the relevant permissions).

Importantly, when the extension was completed, foundations were laid to support a future double storey addition, offering an exciting opportunity for prospective buyers to further extend and create an even larger family home if desired.

This is a stunning, immaculately presented property that has been exceptionally well maintained by the current owners, offering both immediate comfort and fantastic potential. Ideally situated in a popular location, it is perfectly suited for families,

commuters, downsizers and those looking for a home with room to grow.
