

Inside The Home

Entry is gained via a wooden double-glazed front door, opening into a spacious and welcoming lounge. The owners have thoughtfully removed the dividing wall between the original lounge and dining room, creating a generous open-plan living space with excellent versatility for both relaxing and entertaining. An electric fire provides an attractive focal point to the room. To the rear is the brand-new kitchen, a particularly appealing feature of the property. Recently installed and never used, the kitchen is fitted with stylish pastel-coloured units by Howdens, complemented by a brand-new oven and hob. This modern addition provides an excellent turn-key feature for the new owner, with no immediate kitchen expenditure required.

The first floor accommodates a well-proportioned double bedroom together with the family bathroom. The bathroom is fitted with a practical three-piece suite and is fully functional, although offers scope for modernisation and the opportunity for a new owner to add their own style.

The second floor provides two further good-sized double bedrooms, offering excellent flexibility for a growing family, home office, guest accommodation or professional sharers.

Overall, the property offers generous accommodation arranged over three floors, with well-proportioned rooms and significant potential to personalise and enhance over time.
