Ground Floor

Porch & Hallway

13'8" x 3'1" (4.18 x 0.94)

An entrance porch greets you as you enter the property through the glass paned UPVC door with a small frosted window above that fills the room with light. The carpeted hallway features a high level shelf with hooks below, great for outdoor clothing and accessories. Period coving runs around the perimeter of space and hints at the age of the property.

Living Room

11'1" x 10'11" (3.38 x 3.34)

A carpeted reception room sits at the front of the property, with a double glazed UPVC window to the street outside. With space for a large sofa and alcoves either side of the chimney breast, one with a built in cupboard housing the utility controls for the house, you can create a comfortable living room to relax and entertain with family and friends. A double panel radiator sits along the wall by the entrance, with a central ceiling light above.

Kitchen Diner

11'5" x 10'11" (3.50 x 3.34)

A large kitchen diner featuring work surfaces on two walls with sleek white cabinetry below providing plenty of space for food preparation and storage. Appliances include a four ring Lamona induction hob with an integrated Lamona oven below. A sink and drainer sits below the single glazed window on the rear aspect that looks out to the courtyard garden. Light wood effect vinyl flooring boasts space for a family dining table beside the wall mounted radiator, with spotlights above, making a great space for hosting family and friends.

Understair Cupboard

7'1" x 2'11" (2.17 x 0.90)

A deep understair cupboard with shelving acts as a pantry for the kitchen along with the perfect place to store household gadgets. A internal single glazed window connects to the rear porch and provides daylight from the rear aspect.

Utility Porch

5'9" x 5'4" (1.77 x 1.64)

A practical rear porch forms a utility area, with plumbing and

power for a washing machine and a freestanding fridge freezer, keeping appliance noise to a minimum in the rest of the house. Dual aspect single glazed windows provide lots of natural light, with a durable vinyl floor and external door out to the rear garden.

First Floor

Landing

11'1" x 5'4" (3.38 x 1.65)

A carpeted landing connects the bedrooms and the bathroom on the first floor, with a single glazed leaded window over the stairwell providing light during the day, with a pendant light for the evenings. A deep over stair cupboard sits by the entrance to the bedrooms, providing space for linen, clothing and bulkier items to keep the home clear and clutter-free.

Bathroom

8'10" x 8'2" (2.71 x 2.50)

A bright modern three piece bathroom services the property, with a double glazed window on the rear aspect with privacy film which fills the room with natural light. The suite includes a P-shaped bath, low flush toilet and pedestal sink, with a heated towel rail beside the door. A good sized room with space on the grey wood effect vinyl flooring for additional units. A useful boiler cupboard in the corner of the room provides further storage space with a built in shelf over the Baxi boiler installed in 2020.

Bedroom 1

14'2" x 8'3" (4.33 x 2.52)

The well-proportioned main bedroom sits at the front of the property with ample space on the carpeted floor for a double bed, bedside tables and storage units allowing you to configure the room to meet your needs. Two built in cupboards with shelving provide further storage space, helping you keep the rest of the home clear and clutter-free. A double glazed window on the front aspect fills the room with daylight, with a central ceiling light for evening use.

Bedroom 2

11'6" x 6'2" (3.52 x 1.89)

A carpeted single bedroom at the front of the house provides a versatile space, whether for use as a bedroom, home office

or nursery. A long double panel radiator makes this a comfortable space, with a double glazed window on the front aspect providing natural light.

External

Rear Garden

A small courtyard garden at the rear of the property provides a great space to enjoy the warmer weather. With a central concrete seating area, gravel planting beds and a fibreglass gate out to the open green communal space and parking behind. The garden is secure and safe for small children and pets. A practical outhouse provides space to store gardening equipment, bikes and outdoor toys.
