The accommodation

As you enter the property from the front elevation you meet a spacious yet cosy lounge with a limestone effect fireplace and hearth at it's heart. Continuing through is the dining room with a stone fireplace, a walk in cupboard and a uPVC double glazed window to the rear and further still is the fitted kitchen, family bathroom and partially separate WC. The huge benefit of the ground floor bathroom is that upstairs there are three extremely well proportioned bedrooms. It would suit the archetypal family of four (or even five) and/or a group of friends, each needing their own reasonable amount of space.
