Description

Entering the property a bright and spacious reception hallway has stairs rising to the first floor and doors to all rooms. The hallway has a polished tiled flooring which extends through the whole of the ground floor, with underfloor heating being laid in the kitchen/family room, where there is also an air conditioning unit installed. There is a good amount of storage available in the hallway, with two single built-in storage cupboards and a further double built-in storage cupboard. A cosy living room sits at the front of the property, providing a comfortable space away from the main hub of the home, which is almost certainly the fabulous, kitchen/family room. The kitchen/family room which forms the extension to the rear is a lovely space for family & friends to gather, with bi-folding doors spanning the width of the room opening into garden. To one corner there is lounge area with ample space for furniture and with a feature log burning stove. There is ample space for a large, family dining table and chairs with the remainder of the room being fitted with stylish, dark grey wall and base units with contrasting work surface over, and a central island unit with seating. Integrated appliances include two double ovens, double fronted fridge freezer, dishwasher and a halogen hob inset into the central island with a ceiling extractor above. There is further space for appliances and storage in a separate utility room off the kitchen, which also offers further access into the garden. Finishing the accommodation on the ground floor is a fully tiled shower room with a double walk-in shower, wash hand basin and w.c., and a good-sized reception/playroom which could be utilised as a ground floor fourth bedroom if desired.

Rising to the first floor there are a further three bedrooms, all bedrooms are of a good size and have built-in storage cupboards. Finally, there is a spacious, fully tiled family bathroom which has a panelled bath with shower over, wash hand basin set into a modern floating vanity unit and a w.c. with hidden cistern.

To the rear of the property you have a low maintenance, landscaped garden with an artificial lawn. A paved patio is located to the front of the garage, and this extends to the side of the house where double gates give access through to the front. Viewers should note that the space to the side giving access to the garage would be suitable for a small vehicle/smart car or a motorcycle. To the front a large loose stone driveway provides excellent parking for several vehicles.
