Description

Entering the property a bright hallway provides useful space for coat/shoe storage. There is a door into the lounge/diner and a further door to the side which gives access into a ground floor cloakroom with white suite. The lounge / diner is a large L-shaped room offering plenty of space for both relaxing and dining, with clearly defined areas for each. From the dining area you have access into the garden, via sliding patio doors and there are further doors into the second reception and the kitchen. Viewers will note that the property has been extended behind the garage to create the second reception room, a large sitting room measuring 18'4 x 10'8, this room could be utilized as further bedroom, playroom or home office if required. Light coloured, wood effect wall and base units which include glass fronted display cabinets in the kitchen, provide excellent storage space, plus there is also a built-in larder cupboard. There is ample space for freestanding appliances, which includes inset space for a fridge/freezer, and there are integrated ovens and a gas hob with extractor above. Further access into the garden is available from the kitchen.

Rising to the first floor you have three, good-sized bedrooms all with built-in storage cupboards. Finishing the accommodation on this level is a shower room with double shower tray, wash hand basin and w.c.

To the rear of the property there is a well-kept, low maintenance garden which commences with a paved patio and leads into neat brick-edged lawn, with timber panelled fencing to all boundaries. There is excellent off-street parking to the front of the property on a large, block-paved driveway, with an integrated garage offering further secure parking. A pedestrian door at the rear of the garage gives access into the sitting room.
