Description

Entering the property a spacious hallway provided doors into the utility room, ground floor shower room, living room, into the breakfast room and there are stairs which rise to the first-floor level. The property has been extended to the rear which has allowed for three separate reception rooms, a sitting room/study and a dining room; both these rooms form part of the extension, and both have access into the garden. Furthermore, there is a bright and spacious, living room which has double doors into the dining room. A well fitted kitchen which also forms part of the extension provides ample storage options with a good selection of wall and base units with plenty of space for appliances, including a Range style cooker with extractor above. The kitchen is open to the breakfast room which is spacious enough for a large family sized table and chairs. There is further access to the garden/interior from both the kitchen and the breakfast room. Additional space for appliances is available in a separate utility room which has base units, work surface and a sink unit. Finishing the accommodation on this level is a fully tiled, shower room with pedestal wash hand basin, w.c and shower cubicle.

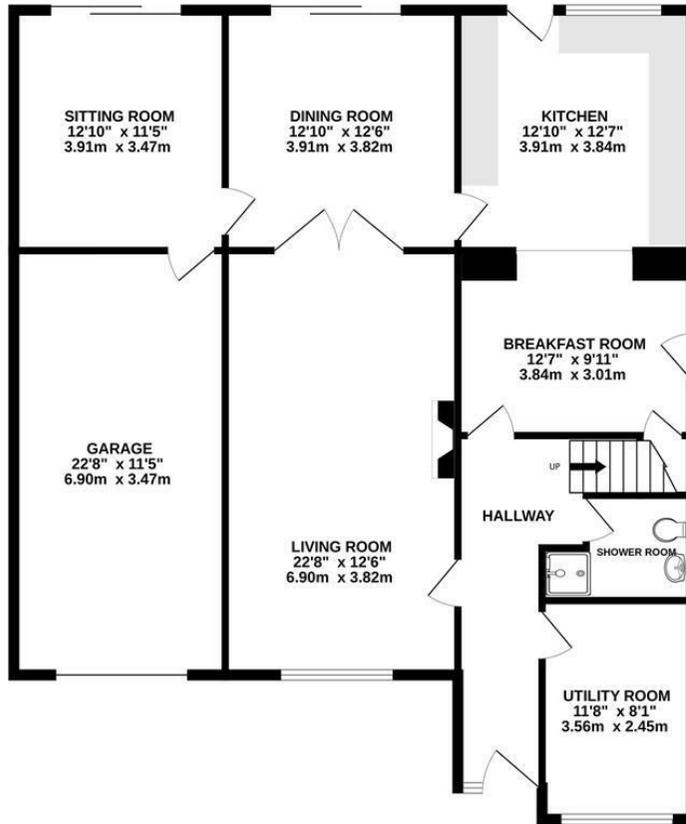

Rising to the first floor there are three, double bedrooms. Two of the bedrooms have fitted wardrobes with plenty of space in the third bedroom for fitted or free-standing furniture. The family bathroom has tiled walls and a panelled bath with telephone style mixer taps and handheld shower attachment, pedestal wash hand basin and close coupled w.c.

The rear garden has been well-maintained with mature plant and shrubs planted to the flower beds. The property sits on a corner plot and therefore viewers will note that the garden is largely un-overlooked. A spacious patio leads into the lawn and there is also a timber framed shed which will remain. There is side access through to the front where there is a spacious block paved driveway, providing parking for several vehicles, plus there is an integral garage with pedestrian door into the sitting room/study. There is potential to remove a central lawn on the front and continue the block paving to provide additional parking if required.
