## Description

Entering the property a bright porch offers access into the entrance hall and into the integral garage. The entrance hall has stairs rising to the first floor, access into the sitting / dining room, the lounge, kitchen and into the ground floor cloakroom which has been fitted with a white suite. The two reception rooms are open plan to each other, and yet still provide very clearly defined spaces with a comfortable lounge to the front and a sitting/dining room to the rear of the property. Both rooms are spacious and offer good natural lighting with large windows to both aspects. From the sitting/dining room you have access into the rear garden. The kitchen is a good-sized room with space for a breakfast table and chairs. With wooden clad walls and ceiling, and a range wood effect wall and base units with tiled counter tops the kitchen offers excellent potential for modernisation. There is ample space for appliances, including a Range style cooker with extractor above, with further space available for appliances in a separate utility / lobby off the kitchen, where you will find additional storage and a sink unit. From the utility you can further access the rear garden and into the garage.

Rising to the first-floor landing, you have access to three of the bedrooms and family bathroom and there are further stairs which rise to a second-floor level where you have a further bedroom. All four bedrooms are of double size, and all have fitted furniture, built-in cupboards or storage options. The bedrooms to the rear, including the second-floor bedroom all have a pleasant outlook with views over the rear garden, recreational grounds and over adjacent farmland. Finally, there is a main family bathroom located on the first floor which is fitted in a white suite.

At the rear of the property, you have a mature garden which commences with a loose stone patio with covered seating area. There are low level steps up to the lawn, where borders are planted with mature plants and shrubs. A pathway leads to the bottom of the garden where there is a large summer house. There is excellent parking offered with a paved driveway allowing parking for 2/3 cars, plus an integral garage.
