Description

The internal layout begins with a welcoming entrance hall that leads into a comfortable living room positioned at the front of the property. The heart of the home is found to the rear, where a beautifully appointed kitchen and family room is flooded with natural light from bi-fold doors and an overhead ceiling lantern. The kitchen features stylish eye and base-level units, contrasting worktops, and integrated appliances. A ground floor WC and utility room complete this level.

Ascending to the first floor, the landing provides access to three well-proportioned bedrooms, all benefiting from built-in wardrobes. A modern family bathroom serves the floor.

Externally, the rear garden opens with a decked patio that gently steps down to a neat lawn, offering an ideal space for relaxation or entertaining. To the front, a block-paved driveway provides convenient off-street parking.
