

THE BOLTONS
CHELSEA SW10

This highly unusual house 3,009 sq ft / 279 sq m over just four floors is situated in arguably one of London's most prestigious addresses and enjoys views of St Mary's Church to the front and over beautiful west-facing gardens to the rear.

Excellent reception space comprises a 50ft reception room on the ground floor overlooking a double-height dining room, which in turn leads to the open-plan kitchen on the lower level, where there is also a 'snug'. Besides a generous principal bedroom suite on the first floor, there are three further bedroom suites.

The Boltons, at the heart of the conservation area of the same name, has long been considered one of west London's best addresses, a short walk from the myriad bars and restaurants of the nearby Fulham Road as well as the transport links of Gloucester Road and South Kensington (Circle, District & Piccadilly underground lines).
