1 Woodlands Close, Chandler's Ford, SO53 5AT

£650,000

Situated in the heart of Hiltingbury, Chestnuts presents a fantastic opportunity to purchase a wonderful home with exciting potential within Thornden and Hiltingbury school catchment. Set within the leafy cul-de-sac of Woodlands Close, the home is within short walking distance to a long list of amenities along the main road & Ashdown Road, Hiltingbury Recreation ground, Hocombe Mead nature reserve and Hiltingbury Lakes. The property itself sits on a 0.20 acre plot and enjoys some fantastic features such as a picturesque frontage with parking for three to four vehicles with an additional space through the side gate, a single detached garage with a car pit, recently decorated spacious lounge & dining room and the charming rear garden measuring approximately 126'7" x 50'9". As many neighbouring properties have already discovered, there is much potential to expand these particular properties to the rear into large four- or five-bedroom houses which would make it very suitable for families looking to create their forever homes within the area. The property would also be suitable for downsizers in its current condition, offering one level living with the downstairs bedroom and ensuite if required. Those needing to commute further afield will find that Chestnuts is within a brief commute to junction 12 of the M3 but far enough away that you do not hear the commotion of it either.
