For Sale Freehold Asking Price £300,000

Nestled within a quiet cul-de-sac on a modern development in the sought after village of Upton, Pontefract, is this spacious four bedroom detached family home. Offering well proportioned accommodation throughout, the property boasts ample reception space, a generous driveway providing off road parking, and an attractive enclosed landscaped rear garden complete with an outdoor bar, making this a home ideally suited to modern family living and one that certainly must be viewed to be fully appreciated.

The property briefly comprises an entrance hall with access to a useful storage cupboard and the dining room, with the dining room leading through to the living room. The living room provides access to the conservatory, which overlooks the rear garden, as well as the kitchen, which also has access to the rear. The kitchen in turn leads to the downstairs WC and the single integral garage, which is fitted with an up-and-over door, power and lighting, a combi boiler, and plumbing for a washing machine. To the first floor, the landing provides access to the loft via pull-down ladders, with partial boarding for storage, along with an additional storage cupboard and doors leading to four bedrooms, and the house bathroom. Bedroom one further benefits from fitted wardrobes and an en suite shower room. Externally, to the front of the property is a well maintained garden, mainly laid to block paving, providing off road parking for up to five vehicles and leading to both the integral garage and the front entrance door. The rear garden incorporates artificial lawned areas with pebbled and planted features, along with a paved patio area, creating an ideal space for outdoor dining and entertaining. To the side of the garden is a timber-built outdoor bar, and the garden itself is fully enclosed by timber fencing and hedging, making it perfect for both children and pets.

Upton is a popular location for a wide range of buyers, particularly growing families, as it offers a good selection of local shops, schools, and amenities within walking distance of the property. A wider range of facilities can be found in the neighbouring towns of Hemsworth and Pontefract. Local bus routes run through Upton, while nearby train stations can be found in South Elmsall, Moorthorpe, and Pontefract, the latter benefiting from three train stations with links to major cities including Leeds, Sheffield, and London. The A1(M) is only a short drive away, providing excellent access to the motorway network including the M62.

Only a full internal inspection will truly reveal the space and quality of accommodation on offer within this deceptively spacious home, therefore an early viewing is highly recommended to avoid disappointment.
