Bedroom one benefits from an en suite bathroom and additional storage, while the remaining bedrooms offer a range of fitted storage solutions. Externally, the property boasts a generous front lawned garden with mature shrub borders, enclosed by timber fencing, along with a tarmac driveway providing off road parking for several vehicles. The driveway leads to a tandem style double garage with manual up and over door, power and lighting, additional storage, and access through to the rear garden. The south facing rear garden is predominantly laid to lawn and incorporates raised planted borders and paved seating areas, ideal for outdoor dining and entertaining. The garden is fully enclosed by brick built walls and also features an office style outbuilding, suitable for a variety of uses.

Eggborough is a popular and well connected village, particularly appealing to families, with local shops and schools within walking distance. A wider range of amenities can be found in nearby towns including Pontefract, Selby and Knottingley. Local bus routes run through the village, while Knottingley and Whitley Bridge train stations offer further commuter links. For those travelling further afield, the A1 and M62 motorway networks are both within easy reach.

Only a full internal inspection will truly reveal the space and quality on offer at this impressive family home, and early viewing is highly recommended to avoid disappointment.
