For Sale Freehold £110,000

Tucked away in a cul-de-sac setting, this extended three bedroom terraced property offers a fantastic opportunity for buyers seeking a home with scope for improvement. Occupying a generous corner plot and benefiting from ample reception space, the property presents excellent potential and is certainly not one to be missed.

The accommodation briefly comprises an entrance porch opening into the kitchen breakfast room, which provides access to both the living room and the utility. The living room leads through to a sitting room and a dining room, both of which open onto the rear garden. The dining room also connects to the utility, which includes a ground-floor WC and further external access. To the first floor, the landing provides loft access and leads to a storage cupboard, three well proportioned bedrooms and the house bathroom. Bedroom one further benefits from a built in storage cupboard. Externally, the property enjoys a low maintenance frontage with a concrete driveway, enclosed by walling and fencing, and accessed via both double and single iron gates. The rear garden is a particular highlight, occupying a generous corner plot mainly laid to lawn, with mature trees, shrubs, and flowerbeds. Several paved patio areas provide ideal spaces for outdoor dining and entertaining, while a timber garden shed offers useful storage. The garden is fully enclosed by timber fencing, creating a safe and private environment for children and pets.

The Ferrybridge area of Knottingley is well suited to a wide range of purchasers, including first-time buyers, families, professional couples, and investors. Local shops and schools are within walking distance, while a wider range of amenities can be found in Knottingley town centre and the neighbouring towns of Castleford and Pontefract. The area is well connected by public transport, with local bus routes and Knottingley train station providing access to surrounding towns and major cities. Excellent motorway links, including the A1 and M62, are also within easy reach.

Offered with huge potential and requiring modernisation, this property must be viewed internally to be fully appreciated. Early viewing is highly recommended to avoid disappointment.
