For Sale Freehold Offers Over £200,000

Set back from the main road, this deceptively spacious four bedroom mid-terrace property offers far more than first meets the eye. Providing generous and versatile accommodation, it presents an excellent opportunity for car enthusiasts, those seeking to work from home, or buyers looking to create a multi generational living space (subject to the necessary planning permissions).

The main residence briefly comprises an entrance hall with stairs rising to the first floor, understairs storage, and doors leading to the bathroom, living room, and kitchen diner, with the kitchen diner providing access to the rear garden. To the first floor, the landing gives access to four bedrooms, including a principal bedroom with en-suite shower facilities, as well as access to the loft space. Externally, the property benefits from two private parking spaces located directly to the front, situated on a privately owned road serving just four properties. The rear garden is beautifully landscaped and well maintained, featuring lawned areas with planted borders and railway sleepers, along with a paved patio ideal for outdoor dining and entertaining. There is also space and plumbing for a hot tub, in addition to a summer house. The garden is fully enclosed by walling and fencing and includes a UPVC door providing access to the first of two workshops. The larger of the two workshops incorporates a separate store area, power, lighting, and an electric garage door, and leads through to a paved rear driveway. This driveway is accessed via timber double gates and in turn provides access to the second workshop, which also benefits from power, lighting, and its own electric roller garage door.

Upton is a highly regarded location, appealing to a wide range of buyers including first-time purchasers, growing families, and professional couples. A variety of local amenities, shops, and schools are within walking distance, with more extensive facilities available in nearby towns such as Hemsworth, Pontefract, and Featherstone. Regular bus routes run through the village, while train stations in Pontefract and Moorthorpe provide convenient links to regional and major cities including Leeds, Sheffield, and London. The property also offers excellent road connectivity, with the A1 motorway just a short drive away, providing access to the wider motorway network including the M1 and M62.

Only a full internal inspection will truly appreciate the space and versatility on offer. Early viewing is highly recommended to avoid disappointment.
