WHY SHOULD YOU LIVE HERE?

What our vendor says about their property:

"This home is a peaceful place to live. The street is very quiet, and having the main living space on the first floor is a real bonus. It gives the house a more contemporary feel and adds to the sense of privacy, as you're not looking straight onto the street.

The layout works brilliantly for both everyday life and entertaining. There's plenty of space for socialising in groups, and the living room is a real focal point, ideal for cosy evenings, family time or having friends round. With bedrooms on the ground and second floors, with their own shower rooms, the space is very versatile and works well for a range of family or visitor arrangements.

The garden is a real highlight, enjoying sunshine throughout the day and providing a lovely place to relax and unwind. A separate utility room is also a genuine bonus and makes day-to-day living that bit easier.

The area is another big plus, with good places to eat and drink in Horbury Bridge, as well as in Horbury, Ossett and Middlesbrough, all within easy reach."
