Machir, Moor Lane

Carleton, Pontefract, WF8 3RZ

A substantial detached bungalow set within approximately 5 acres with stabling, all weather arena, paddocks and a Grade II listed windmill, ideally suited to equestrian or lifestyle use on the edge of Carlton village.

A substantial detached family bungalow set on the edge of the village, extending to approximately 5 acres and benefitting from extensive stabling, an all weather arena, paddocks and a Grade II listed former windmill.

Formerly operated as a nursery, this impressive property is ideally suited to those with equestrian or lifestyle interests. A primary driveway leads to the bungalow, providing a generous parking and turning area along with access to the garage. The driveway continues through to a yard enclosed by stables and onward to the arena. The paddocks are thoughtfully arranged in an L shape around the house and gardens.

The bungalow itself is approached via a central reception hall leading through to a spacious living room overlooking the rear gardens. An adjoining dining room opens into a separate garden room, both enjoying views across the gardens. The kitchen is fitted with a comprehensive range of units and overlooks the front of the property, complemented by a large utility and boot room which serves as a practical everyday entrance. The bedroom accommodation is well arranged, with one wing comprising a generous principal bedroom with adjoining dressing room (formerly a fifth bedroom), a further double bedroom and the house bathroom. A separate inner hallway to the rear leads to two additional double bedrooms and a well appointed shower room.

The property occupies a desirable position on the eastern fringe of the sought after village of Carleton, which is served by a well regarded primary school. A wider range of amenities can be found in nearby Darrington, while Pontefract town centre offers further facilities. The national motorway network is also easily accessible, making this an ideal location for those commuting further afield.
