The remainder of the front garden is predominantly laid to lawn with established shrub and flower borders. The generous gardens extend around the side of the property, where a raised paved patio provides an excellent setting for outdoor dining and entertaining whilst taking advantage of the far reaching countryside views. A substantial wood chipped area offers further potential as a possible building plot or space to extend the existing property, subject to the necessary planning consents. To the rear is a further lawned garden with mature borders and additional patio space, fully enclosed by timber fencing.
