47 Ryecroft Street, Ossett, WF5 9EJ

For Sale Freehold £200,000

Situated in the sought after town of Ossett is this deceptively spacious two bedroom, three storey mid terrace property, which offers far more accommodation than first appears from the front elevation. Boasting well proportioned living space throughout, the property benefits from generous reception space, and close proximity to a wide range of local amenities, making it an opportunity not to be missed.

The accommodation briefly comprises a living room to the front, with access to an inner hallway providing stairs to the first floor and leading through to the kitchen diner at the rear. The kitchen diner also provides access down to the cellar and out to the rear of the property. To the first floor are doors leading to bedroom one, bedroom two, and the house bathroom, along with stairs rising to the second floor where the loft room is located. Externally, to the front of the property there is a small buffer garden, mainly paved for ease of maintenance, enclosed by wall and timber fencing with an iron gate providing access. To the rear there is a communal area with access available for neighbouring properties.

The property is ideally located for a range of buyers, including first time purchasers, growing families, and investors alike, offering a fantastic opportunity in a convenient location. Ossett town centre is within walking distance and provides a good selection of shops, schools, and everyday amenities. Local bus routes run nearby, while train stations in neighbouring towns such as Dewsbury and Wakefield provide links to major cities including Leeds, Manchester, and London. The M1 motorway network is also only a short drive away, making the property ideal for commuters.

Only a full internal inspection will truly reveal the space and potential on offer at this property, and early viewing is highly recommended to avoid disappointment.
