Externally, to the front of the property there is a low maintenance pebbled garden with a paved pathway leading to the front entrance door. A paved and pebbled driveway provides off road parking for one vehicle and leads to the single integral garage, which benefits from an up and over door, power and lighting. The front garden is enclosed by walls with both single and double iron gates providing access. To the rear, the garden is designed for low maintenance and is mainly paved, creating an ideal space for outdoor dining and entertaining. There are raised planted beds with a variety of mature shrubs and flowers, and the garden is fully enclosed by walling and fencing, making it ideal for both pets and children.

Thornhill is a highly convenient location and appeals to a wide range of buyers, including first-time buyers, growing families and professional couples. The area benefits from a selection of local shops and well-regarded schools within walking distance, along with a wider range of amenities available in Dewsbury town centre. Regular bus routes run nearby, and Dewsbury also benefits from its own train station offering connections to larger cities including Leeds, Manchester and York. For those commuting further afield, both the M62 and M1 motorway networks are within easy driving distance.

Only a full internal inspection will truly reveal everything this fantastic home has to offer, and an early viewing is highly recommended to avoid disappointment.
