The accommodation briefly comprises an entrance hall with staircase to the first floor, useful understairs storage and access to both the living room and kitchen. The kitchen benefits from additional understairs storage and a side entrance door, and provides access to a utility room which in turn leads to a downstairs WC. The kitchen also opens into the dining room, which connects back through to the living room, creating a practical and versatile ground floor layout. To the first floor, the landing provides loft access and leads to three bedrooms, a house shower room and a separate WC. Externally, the front garden is designed for low maintenance with pebbled areas, mature shrubs and walling to the boundary. A concrete driveway provides off road parking for two vehicles and leads to a single detached garage, offering further parking and storage. The rear garden is of a generous size and mainly laid to lawn with mature shrubs throughout, offering excellent space for outdoor use and potential for further extension to the property, subject to planning. The garden is fully enclosed by hedging and fencing, making it suitable for both pets and children.
