### WHY SHOULD YOU LIVE HERE?

What our vendor says about their property:

"We've loved every moment living here — from morning coffees on the terraces watching the mist roll over the fields, to family BBQs in the garden at sunset. The loft room has been one of our favourite spaces, offering a peaceful retreat with incredible views. One of the biggest transformations was the loft conversion, which has added a fantastic, versatile room. It's been everything from a guest suite, to a quiet office with a view — and we'll definitely miss waking up to those beautiful countryside scenes. This home has been a real sanctuary for us and we hope the next owners enjoy it as much as we have."

### WHY THIS HOME IS DIFFERENT?

Unlike a traditional bungalow, this property offers a substantial first floor comprising a second lounge, principal bedroom suite and shower room delivering the flexibility and feel of a modern detached house, while retaining the convenience of ground-floor living. The layout and accommodation make this home equally appealing to those seeking a detached house or a high-quality bungalow with added space.
