For Sale Freehold Offers Over £385,000

A substantial, energy efficient four bedroom family home offering over 2,100 sq ft of flexible living space, extended to provide generous reception areas and set behind a gated driveway with double garage space. Ideally located within easy walking distance of Ossett town centre, this well maintained home combines space, practicality and excellent commuter connections. A virtual tour is available to fully appreciate the scale and layout on offer.

Situated along the well regarded Towngate, this extensively extended semi detached property offers generous and versatile accommodation well suited to modern family life. While semi detached in style, the scale of the extensions and internal footprint place the property closer to near detached proportions. The ground floor provides a welcoming entrance hall leading through to a spacious front lounge and onward to a large open dining and sitting area, creating an excellent flow for everyday living and entertaining. The kitchen is fitted with a modern range of units and benefits from access to a useful utility and additional storage area. French doors and multiple windows allow for good natural light throughout the rear living spaces and provide direct access to the garden. To the first floor are four well proportioned bedrooms, including a generous principal bedroom with en suite shower room, along with a modern family bathroom. The fourth bedroom has been successfully used as a home office, offering flexibility for buyers needing workspace or guest accommodation. Externally, the property is set behind iron gates with a block paved driveway providing off road parking for multiple vehicles and access to a double garage space offering additional storage. The rear garden is enclosed and thoughtfully arranged over tiered levels, featuring lawned areas, patio seating spaces ideal for outdoor dining, and mature planting that provides privacy and year round interest. The property also benefits from owned solar panels and an impressive EPC rating of B, making it both energy efficient and cost effective to run – an increasingly important consideration for many buyers.

Ossett remains a popular choice for families and commuters alike, offering local shops, schools and amenities within walking distance, with further facilities available in nearby Wakefield and Dewsbury. Regular bus services operate locally, while the M1 motorway and nearby rail links provide convenient access to Leeds, Manchester and beyond.

Early viewing is strongly recommended to fully appreciate the size, layout and value this extended family home has to offer. Viewings are available by appointment, and buyers are encouraged to explore the virtual tour prior to arranging an internal inspection.
