The ground floor hosts the impressive main bedroom with a spacious walk-in dressing room which could have scope to create an en-suite should this be desired. Bedroom three is also located on the ground floor with a generous 4 piece suite family bathroom. Whilst the two additional double bedrooms are located on the first floor along with the main living accommodation and are accompanied by a separate cloakroom.

Stepping outside you have mature wrap-around gardens providing a wonderful balance of open lawn, established planting and previous vegetable patches with peaceful seating areas, creating a haven for wildlife. The decked

terrace is perfectly positioned for al fresco dining while taking in the fantastic back drop. While the south-easterly facing balcony offers an exceptional place to relax with a morning coffee.

Whilst the property would now benefit from cosmetic modernization throughout the generous room sizes and thoughtful design provide the perfect foundation to create an outstanding forever home.
