Flat One

Flat One is located on the first floor of the building and is currently used as a spacious double bedroom, complemented by a generous storage area. While the space is not presently configured as a self-contained unit, it offers significant potential for conversion into a one-bedroom flat, subject to the necessary renovation and development work. This presents an excellent opportunity for further enhancement and added value to the property.

Flat Two

Flat Two is a generously sized two-bedroom apartment located on the second floor of the building. Both bedrooms are double in size, offering ample living space. The flat features an open-plan lounge, kitchen, and dining area, along with a three-piece bathroom suite. While the layout is practical and spacious, the property would benefit from cosmetic improvements, presenting a great opportunity to enhance its overall appeal and value.

Flat Three

Situated on the top floor, this well-designed one-bedroom flat offers stylish and comfortable living. The double bedroom features a modern fitted three-piece en-suite bathroom, while the kitchen is fully equipped and functional. The beautifully presented open-plan living area provides ample space for a dining table and opens onto a Juliet balcony, offering stunning views of Ilfracombe's coastline and the iconic Landmark Theatre. This flat combines modern living with breath-taking scenery, making it a standout feature of the property.

Outside Space

The main entrance to the property is currently accessed through the café, providing a convenient and central entry point. However, the property also benefits from a private rear garden area, offering outdoor space for relaxation or potential development.
