Introduction

****REQUIRES FULL REFURBISHMENT**** A rare opportunity to purchase this spacious detached bungalow situated within highly desirable and semi-rural Parc Seymour, offering easy access to excellent amenities and main road connections. The property requires a full overhaul in terms of refurbishment and perhaps extending/reconfiguring to suit the taste of the successful purchaser (subject to relevant planning permissions).

We believe the property was built in the 1950s and occupies this generously-sized and private plot as well as the addition of a first floor dormer, providing two additional bedrooms and en-suite.

On entering the property, we are welcomed into the hallway which leads off to a good sized lounge, bathroom, kitchen/diner and conservatory, as well as two out of the four bedrooms. Due to the versatility of this property, these bedrooms could be utilised as additional living/sitting areas. Upstairs, there are two further bedrooms and an en-suite as well as plenty of under-eave storage running the width and length of the property.

Outside, the driveway provides off road parking as well as access into the wider than average single garage, accessible via an electric up and over door to the front and pedestrian door to the rear. The garden is of good size and laid mainly to grass with lots of mature plants, trees and shrubbery, plus a potting shed.

Viewing really is essential to appreciate the excellent potential this property has.
