Introduction

Discover this beautifully designed first-floor apartment, where contemporary style meets effortless commuting. Having undergone a full cosmetic overhaul, this "move-in ready" home offers more than just a place to live—it offers a lifestyle. With a newly installed boiler and integrated soundproofing, you can enjoy peace and efficiency in equal measure.

The heart of the home is the impressive open-plan lounge/diner, flooded with natural light through a classic bay window. The sleek, modern kitchen is a chef's delight, featuring integrated appliances and high-end finishes. Both bedrooms are generous doubles, offering a serene retreat after a long day.

Outside, the property uniquely features its own private, enclosed garden and two dedicated storage sheds. The location is as impressive as the interior. You are perfectly placed within walking distance of well-regarded primary and secondary schools, making the morning run a breeze. For your daily needs, local shops, cafes, and bus stops are just around the corner, while the nearby train station and M4/A472 links provide seamless access for commuters.
