Introduction

A fantastic opportunity to purchase this extended semi-detached family home situated in the ever popular Malpas Park area of Newport, a pleasant housing development built in the 1970's by George Wimpey Homes, near to excellent amenities and main road connections. Within walking distance we have reputable primary and secondary schools, bus stops and local shops as well as pleasant woodland walks, plus the M4 at J26 is also close by providing an easy commute to neighbouring cities.

The living accommodation has been extended to the ground floor as well as a semi-converted attic room providing additional living space.

As we enter the property (from the front), we are welcomed into the hallway which leads off to a good sized lounge, kitchen, dining room as well as the extended area which could be used as an additional sitting area or home office. Upstairs, we have the family bathroom and three bedrooms as well as access up to the attic room which is of good size and has under-eave storage areas.

Outside, to the front, we have a neat and tidy garden mainly laid to lawn with side access leading to the rear which is laid to patio. An access gate leads out to a small driveway and garage (the garage is in need of roof repair or perhaps demolition to provide additional parking).
