Situation and Amenities

Located in the popular village of Hemyock, which nestles in the Culm Valley between Cullompton and Wellington, and offers village facilities, including a Spar and post office store, doctors' surgery and primary school. Hemyock has an active Church of England church, a Baptist chapel, close to Rosemary Lane Chapel, a Healthy Living Centre where there are exercise classes and social events. It is well served by the Blackdown Support Group who organise monthly lunches for older people in the village, and will arrange transport to appointments. There is also a bus from Seaton on the coast, through Honiton and Hemyock then on to Taunton up to 5 times a day, together with a pub, hairdresser and regular community events such as cafes and monthly markets. More extensive shopping facilities are to be found in the nearby country towns of Cullompton and Wellington, whilst the surrounding countryside offers a wealth of rural pursuits. The nearby M5 facilitates rapid commuting north to the county town of Taunton and south to the cathedral city of Exeter, with the Tiverton Parkway Station providing a rapid link with London (Paddington).
