A Characterful Home in the Heart of Whitwick

Nestled in the historic Leicestershire village of Whitwick, this 4 bedroom, detached family home with NO CHAIN, offers the perfect blend of countryside charm and modern living. Whitwick itself is a village steeped in history, with roots dating back to the Domesday Book of 1086. Once a thriving centre for framework knitting and coal mining, today Whitwick is a peaceful and well-connected community, surrounded by rolling countryside yet within easy reach of Leicester, Loughborough and the wider Midlands. The village boasts a range of amenities including local shops, pubs, schools, and miles of scenic walks.

Set against this characterful backdrop, the property has been significantly enhanced by the current owners, who have thoughtfully upgraded and improved it throughout. From stone flooring in the hallway and kitchen to a bamboo-floored second bedroom and a striking larch-clad garden shed with a living roof, this home offers both substance and style. The result is a house that not only provides generous accommodation for modern family life but also exudes warmth, quality, and a strong sense of place.

A Home Designed for Modern Living

On arrival, the home makes a strong first impression with its landscaped frontage and extended driveway, leading to an integral garage with electric roller door. Step inside, and the attention to detail is immediately apparent. The entrance hall is bright and welcoming, with a glass balustrade staircase, slate stone flooring and easy flow through to the living areas.

The lounge is a wonderfully inviting space with a bay window, feature log burner framed by an oak mantel, and luxurious engineered oak plank flooring that continues through into the dining room and sun room. Here, beautiful oak bifold doors separate or connect the spaces as desired, while the adjoining sun room brings the outdoors in with garden views and French style patio doors.

The kitchen, with its underfloor heating, has been reimagined to suit the demands of a modern family. Stylish and functional, it offers fitted wall and base units, a utility room, and a range of integrated appliances, including fridge-freezer, microwave, and dishwasher. A dual-fuel Range Cooker is also available by negotiation. Beyond the kitchen, a separate wet room with rain head shower & WC adds convenience.

Upstairs, four bedrooms provide flexibility for family living. The master bedroom includes fitted wardrobes and a sleek en suite bathroom. The second bedroom, currently used as a gym/yoga

studio, finished with bamboo flooring, is generously sized and enjoys a pleasant aspect. The remaining two bedrooms are well-proportioned, and the family bathroom has been beautifully updated with a P-shaped bath, rain head shower, and contemporary storage solutions.

Outside, the garden has been thoughtfully landscaped to create both beauty and practicality. A striking aluminium veranda provides the perfect spot to dine or entertain outdoors whatever the weather, while a fish pond with water feature adds a tranquil focal point to the space.
