**Guide price £500,000**

Guide Price £500,000-£550,000. Fortune & Coates are pleased to offer to the market this heavily extended, three bedroom, two bathroom family home located in the always popular sought after area of Finchmoor with off road parking for multiple vehicles. Upon entering you are offered a large entrance hallway, beauty room which could also serve as a great office space/study, a bright and airy lounge with doors that lead out to your rear garden, and a larger than average immaculately presented kitchen/diner. Following on from the kitchen you also benefit from doors leading out to your rear garden, utility area, well presented downstairs shower room, and converted garage space that is currently used as a home office and additional utility area but would offer great potential for an annexe with it's own front door. To the first floor you benefit from three large double bedrooms, and another well presented family bathroom. Externally, the well kept rear garden is mainly laid to lawn and patio, and to the front of the property you have a driveway for multiple vehicles. Finchmoor is located only a short walk from local amenities and sits in a great catchment area for both primary and secondary schools.
