Introducing Fortune House, a new homes apartment building available with Help to Buy (London). This first floor two double bedroom apartment has been finished to a high specification. Accommodation includes two double bedrooms, contemporary bathroom suite and an open plan kitchen/living room with a full range of branded integrated appliances and has been cleverly designed with a breakfast bar. The 24' balcony can be accessed from the living room and master bedroom. All apartments benefit from a lockable storage cupboard on the ground floor and a communal bicycle storage facility. The apartment has an allocated parking space.

Help to Buy: Equity Loan is a government scheme that allows you to borrow a low-interest loan to put towards the cost of purchasing a newly build home.

The equity loan is for the value of up to 40% of the purchase price for homes inside London.

You add the equity loan to the deposit you have saved and to the amount you need to borrow on a repayment mortgage. Together these cover the total cost of buying your newly built home.
