Seldom coming to market, this distinctive and individually designed three-bedroom detached dormer bungalow enjoys a quiet position at the end of a private residential cul-de-sac. Offering generous accommodation, the property features a well-laid-out interior including an inviting entrance hall, an extended lounge leading into the garden room, and a spacious kitchen/diner with a striking brick-built fireplace. There is also a separate utility room, a particularly large master bedroom with en-suite bathroom, two further bedrooms—with the third bedroom being situated on the upper floor—and a modern family bathroom. To the first floor, there is also a substantial attic space which offers excellent potential for conversion, lending itself perfectly to the creation of a large additional bathroom or an extra bedroom, subject to the necessary consents. Additional benefits include double glazing, gas central heating, and an attached garage with remote control access. The home is set within gardens to the front, side, and rear, and also offers gated off-street parking via wrought iron gates.

Conveniently located, the property benefits from excellent transport links, including easy access to major road networks. A variety of local amenities and bus routes—are all within walking distance.
