The Lodge House, 167 Moorgate Road, Rotherham, S60 3AR

Description

The Lodge House: A Charming 2-Bedroom Detached Residence.

Nestled at the former entrance to Sitwell House's driveway, The Lodge House is a remarkable detached 2-bedroom home, believed to have its roots dating back to approximately 1880. Recently, it has undergone thoughtful modernization, making it an ideal choice for a young couple or those seeking to downsize.

The front elevation has retained its remarkable character, with the original stone bay window featuring single glazing, while the rest of the property boasts modern replacement double glazing. As expected, a brand new central heating system has been seamlessly integrated.

Upon entering the property, you'll step into an inviting entrance vestibule, with the living room and staircase to your left and the dining kitchen straight ahead. The bay-windowed living room offers delightful front garden views and provides access to the cellar. The well-appointed dining kitchen boasts a stunning modern range of units finished in a sleek dark grey gloss and includes a range of electrical appliances. There are marble tops and a Miele oven. A rear door grants access to the back patio area and off-road parking spaces, while beyond the dining kitchen, you'll find a spacious ground floor WC, illuminated by an abundance of natural light and adorned with fully tiled walls.

The first floor accommodates two generously sized ensuite bedrooms, each providing modern convenience and comfort. To the rear, there's a stone patio area and designated parking space.

Ideally located opposite Rotherham Hospital on Moorgate Road, the property benefits from convenient bus services to the town centre. Furthermore, it offers excellent motorway access, with junction 33 of the M1 situated approximately 2 miles away, along with the Sheffield Parkway. The beautiful open spaces of Boston Park are easily reachable within a mile.

In summary, The Lodge House is a unique and characterful property, best appreciated through an internal inspection.
