A further reception room (work room) which could be used as a home office in these current exceptional times. There is a useful utility room leading off.

The bedrooms are all of great proportion, some with original exposed floor boards. There are 3 bathroom comprising of white suites along with a seperate WC making 5 in all in the property.

Exterior: The actual front of the property is accessed via the footpath from Wellgate & houses a quaint stone flagged forecourt along with various shrubs & a very large log store!

To the rear (accessed from Clifton Bank via foot & vehicle) is space for 3 vehicles, 2 to the block paved driveway & a further to raised drive at the side. There are well maintained raised flower & shrub beds.

Although the property is situated literally 150 yards from the town centre & located immediately off Wellgate, you wouldn't think so when sat in the gardens.
