Description

Finding a bungalow to suit your needs can often feel like an impossible task so when one becomes available it is certainly worth taking notice of. When you combine the rarity of this type of property with finding one that has such a stunning finish and one that has such a charming, rural outlook, prime location and no onward chain it is even more rare. This stunning home is an absolute one off and offers a quite superb finish both on the inside and out. Externally the first impression is great, with a smart resin driveway providing parking for at least two or three cars and leading to a detached garage. Beyond the house there is an easily maintained garden that includes a recently added garden studio which could easily be repurposed as a home office and provides a pleasant place to sit and enjoy the outlook over the fields and meadows to the rear. Internally no expense has been spared to finish this lovely home. There is a pleasant palette of colours in the décor, designed to complement the smart finish throughout. The bathroom boasts contemporary marble tiling and the kitchen has elegant Quartz worktops surmounting the modern units. Both bedrooms are double and, if more space is required, the depth of the plot and the fact that the garage could be redeveloped provides plenty of opportunity for extending if the necessary consents were acquired. Beyond the property itself, the location further enhances its appeal. Situated in the charming village of Ravenfield, where there is a strong sense of community, the property is conveniently close to the local amenities which are found just a short stroll away. Nearby, you'll find convenient local shops, a doctor's surgery, and excellent public transport links, ensuring that everyday essentials are always within easy reach. For those who appreciate the outdoors, Ravenfield is surrounded by stunning countryside and offers numerous scenic walking routes, including the beautiful Ravenfield Ponds Nature Reserve—a haven for wildlife and a perfect spot for nature lovers to explore.

Steeped in history, Ravenfield dates back to the Doomsday Book of 1086, with its origins rooted in agriculture and traditional English village life. Over the years, it has retained its rural charm while evolving into a desirable residential area that balances tranquillity with accessibility. With Wickersley and Rotherham town centre just a short drive away, residents can enjoy an excellent selection of restaurants, cafés, and shopping facilities, while the M18 and M1 motorways provide convenient access to Sheffield, Doncaster, and beyond.

This wonderful detached bungalow truly offers the best of both worlds—a peaceful, village setting with modern conveniences on your doorstep. Whether you're looking for a comfortable and stylish home for retirement, a low-maintenance property in a fantastic location, or simply a place where you can enjoy a relaxed and fulfilling lifestyle, this charming home in Ravenfield is not to be missed.
