

Lillegarth Cottage, Smalldale, Bradwell

Hope Valley, S33 9JQ

This charming cottage dates back to around 1700 and is believed to have originally been two former lead miners' cottages. The property was later extended in the 1950s and again in 2004, creating superb, family-friendly accommodation arranged over two floors. Currently a successful holiday let, the property is now offered to the market with no onward chain. The accommodation includes three reception rooms, a well-equipped kitchen with adjoining utility room, and an en suite to the principal bedroom.

The front door opens into a welcoming sitting room with a front-facing aspect, exposed ceiling beams, and a stone-built fireplace housing a living flame gas stove. The room enjoys attractive views across the village towards Bradwell Edge.

The adjoining dining room mirrors this outlook and also features exposed beams and a fireplace. A hallway leads to an alternative side entrance and a useful utility/boiler room with hanging space. A ground-floor bathroom is fitted with a low-flush WC, pedestal wash basin, bath with shower over, heated towel rail and tiled flooring.

The kitchen lies at the heart of the home, fitted with a range of solid wood units with worktops over, incorporating a sink and drainer with waste disposal unit and a five-burner range cooker with extractor hood. A side-facing window overlooks the rear
