

42 St Annes Road EXETER, EX1 2QD

A traditional 3 bedroom mid-terraced house affording family sized accommodation in well modernised condition. The property comes with a utility/conservatory, downstairs cloakroom/wc and a sizeable rear garden with sunny south-westerly aspect. Further features include a boarded loft, the home comforts of gas central heating and double glazing, and the property also provides scope for further development on the ground floor and into the loft space (subject to the necessary planning consents).

This favoured residential area benefits from being near public transport (including bus routes and Polsloe Bridge train station) and comfortable walking distance of the city centre, hospitals, local schools (both primary & secondary), Waitrose, St Sidwell's Point Leisure Centre and Exeter University. St Luke's Campus is located on the east side of the city centre and Streatham Campus across the city to the north-west. The property will therefore appeal in equal measure as a well placed family home or investment property for the rental market. All residents in this area benefit from residents' on street permit parking and the added attraction of living near parks and green spaces.

Strong interest anticipated and early viewings recommended.

Guide Price £325,000
