Ground Floor

Entering the property through the porch, you instantly feel a sense of serenity, with coastal themed tones and features, a spacious hallway leads to the left into the lounge, with built in media wall and storage. An opening then follows through to the sun room allowing natural light to fill the space, from here there is access to the rear garden patio area via sliding doors. Starting back in the hallway on the right, leads into the dining room, a picturesque area looking out onto the peaceful front garden which produces vibrant pink blooms in the summer time to admire. From here follows into the kitchen, with integrated appliances, plenty of base and wall units for storing your culinary belongings and access to the rear garden. This floor is completed by a W/C with hand crafted coastal wall design, making for a spectacular property feature.

First Floor

The first floor houses all four bedrooms. Starting on the left at the top of the stairs, you'll find the family bathroom, a 3 piece suite, W/C, hand basin built into large vanity unit, and bath with shower overhead. Further on to the left is Bedroom 1, with built in

wardrobe storage and 3 piece suite en-suite for extra convenience. Straight ahead is bedroom 4, ideal for a younger child or optional office space depending on your needs. To the right is both bedroom 2 and 3, double bedrooms with built in wardrobe storage. From the spacious landing, a staircase leads up to the loft room.

Second Floor

The second floor completes the property, a large space that is open to interpretation, but in our opinion makes for a perfect play area with endless storage that wraps around the room and great natural light from the large skylights either end.

Exterior

The front of the property creates a heavenly picture, a large laid to lawn area with paved steps allow for manoeuvring around the garden, plus a statement feature being the steps leading up to the front doorway gives the property a grand feel. With an attached garage and driveway parking for several vehicles and gates for extra security, parking here is easy and convenient. Both the front and rear gardens are detailed with mature, well kept shrubbery and florals adding to the already beautiful nature of the property. The rear garden has a generous paved patio area, a perfect space for outdoor furniture to entertain. A large raised laid to lawn area means your children have plentiful space to play with the added bonus of a play house which will remain (see photo). Overall, a substantial plot with blissful features.

Location

Just behind the house, you will find Chalkwell Park, a lovely place to visit for dog walks, also with playgrounds for your children to exercise and enjoy. Being within walking distance to the sea front, coastal amenities and entertainment awaits. Take your children down to enjoy an ice cream and splash around in the sea on a sunny day, or head further up the seafront of the amusement arcades offering bundles of exciting; A joyful opportunity to create lasting memories with your family. With great transport links, a short distance from Chalkwell Train Station, this home location is ticking boxes!
