Interior

Set on the first floor, this two bedroom apartment offers a wonderfully spacious interior. The lounge is a particularly inviting space, enhanced by built-in cabinetry and shelving, a feature fireplace and a beautiful bay window that draws in natural light and creates an elegant focal point. The kitchen, fitted only a couple of years ago, brings a fresh and timeless feel with its shaker-style units, integrated appliances and smart, considered finish. A rare and appealing feature is the direct access from the kitchen, with steps leading down into the private rear garden, making the space feel connected and easy to enjoy. The main bedroom is a comfortable double, while the second bedroom is currently arranged as a home office, demonstrating the apartment's flexibility. It would also make an excellent nursery or child's bedroom. The bathroom is fitted with a bath, shower and hand basin, with a separate W/C conveniently positioned adjacent.

Exterior

Outside, the property enjoys a private, fenced rear garden; Stairs lead directly from the kitchen down onto a gravelled area before continuing towards an artificial lawned area framed by flower beds on either side. The garden has a pleasant, enclosed feel. A gate at the bottom provides useful access around to the side of the building. To the front, the property is approached via a shared entrance door, with a further internal entrance and stairs up into the flat itself.

Location

Ramuz Drive is well placed within Westcliff-on-Sea, offering convenient access to London Road amenities, local shops, cafés and restaurants, as well as the wider attractions, The Palace Theatre and Cliffs Pavilion for entertaining shows and the seafront amusements for fun times out on a summer's day. Westcliff Station provides c2c services towards London Fenchurch Street. The property is also well positioned for green spaces and coastal living, with Chalkwell Park and Priory Park both accessible nearby. Southend Hospital is also conveniently placed for those working locally or needing regular access.
