Double doors from the hallway create an inviting entrance, while a further set opens directly into the rear garden, allowing life indoors and out to connect effortlessly during the warmer months. The kitchen is equally appealing, with a beautiful bay window drawing an abundance of natural light into the room. Cabinetry is fitted around three sides to provide generous storage and preparation space, creating a practical setting. A side door offers convenient access between the front and rear gardens, while a separate ground floor W/C completes this level.

First Floor

Ascending to the first floor, a particularly generous landing gives the upper level an immediate feeling of openness, leading naturally to all three bedrooms and the bathroom. The main bedroom is a double room, enhanced by a bay window that brings character. Its private en-suite shower room adds an extra touch of comfort and convenience. The second bedroom provides the benefit of built-in wardrobes, helping to keep the room organised without compromising valuable floor area. Bedroom three offers excellent versatility, whether styled as a younger child's

bedroom, nursery, dedicated home office or creative space. Completing the first floor is the family bathroom, fitted with a bath, W/C and hand basin.

Exterior

The rear garden provides an outdoor setting with plenty of scope for relaxing, entertaining and family life. A laid to lawn area creates room for children to play and enjoy the sunshine, while paved sections offer natural spaces for outdoor furniture and summer dining. Landscaped border beds introduce colour and greenery, with a garden shed providing useful storage. Practicality has also been carefully considered, with a rear gate giving direct access towards the driveway and garage, as well as a side access gate connecting the front and rear of the property. To the front, both stepped and ramped paved approaches lead towards the entrance, framed by a smart brick boundary and providing a particularly accessible welcome to the home.
