THE PROPERTY

Welcome to your dream home, nestled in the sought-after location of Marton-in-Cleveland. This stunning four-bedroom detached family residence is available with no chain—ready to be yours without the wait.

Step into a home that has been tastefully refreshed from top to bottom. Enjoy the chic new touches throughout, including a stylishly revamped downstairs guest WC/cloakroom, a modern kitchen with sleek high-gloss white cabinets, and a bright, contemporary bathroom complete with an electric shower and glass screen over the bath. The neutral decor, elegant doors, and plush carpets create an inviting atmosphere that's ready for your personal touch.

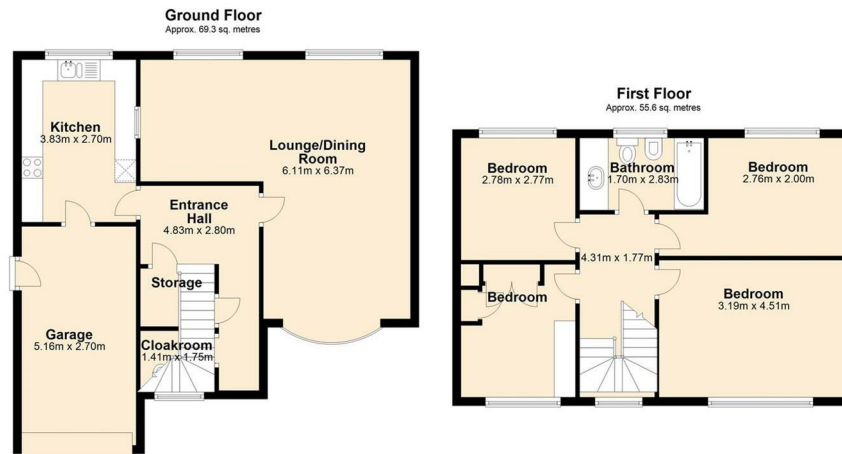

Designed with your comfort in mind, the property boasts a brand-new Ideal Logic combination boiler paired with a smart Hive thermostat, energy-efficient UPVC double-glazed windows that were replaced 5 years ago.

Outside, the front driveway provides ample space for two vehicles and includes an EV charging point. The single integrated garage provides easy access to the kitchen, with light, power, and an up-and-over door for convenience.

The generous, private rear garden is perfect for family fun or quiet relaxation.

This beautifully updated home is available for viewings now, and we're inviting offers on the asking price.
