Outside

The garden is thoughtfully arranged into two distinct and charming areas. Stepping out from the conservatory at the rear of the property, you are welcomed into a delightful courtyard setting with space for a bistro table, an ideal spot for relaxed al fresco dining, morning coffee, or evening drinks in a peaceful setting. From the courtyard, a doorway leads into the versatile outbuilding, currently used as a utility room, offering excellent potential for a range of uses or additional storage. A further gateway opens onto a shared access pathway which leads past a storage shed to the first section of the garden, currently arranged with raised beds, providing the perfect opportunity for keen gardeners or those looking to grow their own vegetables and herbs. The pathway then gently meanders through to the main garden area, revealing a beautifully lawned space framed by mature trees and established shrubs that create both privacy and a natural sense of tranquillity. A charming pond adds character and wildlife interest, while a delightful summer house offers a wonderful retreat from which to relax and take in the far reaching panoramic views.
