## THE PROPERTY

This detached bungalow will certainly not disappoint the discerning buyer as it has been sympathetically extended and re-modelled by the present owners. The property is immaculately presented throughout and a particular standout feature to us was the open plan kitchen/dining room to the rear which overlooks the rear garden. The kitchen has been finished to produce a luxury quality feel with Quartz worktops and all integral appliances plus a utility room with a handy second WC. There are two bedrooms located to the front of the property and also a re-fitted bathroom. The refurbishment included new roof, new boiler and full re-wire.

## OUTSIDE

The bungalow occupies a good sized garden plot which measures 110ft from road front to end with a width of approximately 36ft. It has been tastefully landscaped by the present owners with ease of maintenance in mind and affords off street parking plus an EV charging point. This property is a real must for any aspiring downsizer as in our opinion the decor and attention to detail installed by the present owners will appeal to the majority of buyers.

## FROM THE SELLERS

We purchased the property in 2022 and required much modernisation. We have extended and improved it to our best abilities which has suited our lifestyle. The bungalow holds great memories for us of entertaining friends and family. We sincerely hope the new owners will enjoy it as much as we have.
