THE PROPERTY

An attractive property we believe dates from the 1930s is located in a highly desirable residential area with other characterful detached and semi detached homes. The area is well sought after by families as it is walking distance of an excellent primary school and also secondary schools are nearby. The property does require some modernisation, however affords the prospective buyer the opportunity to improve and design to their own tastes. Our feeling is that the new owners will settle quickly and enjoy area as much as the previous owners. The property has been the subject of a ground floor rear extension which affords a larger kitchen and rear reception room which enjoys a pleasing outlook over the

rear garden. To the first floor there are three good sized bedrooms and family shower room.

OUTSIDE SPACE

The outside space is ideal with plentiful off street parking to the front and an area has been retained for planting to soften the kerb appeal. There is side access through to the rear garden which is directly southerly and extends to 100 ft. There is a patio immediately to the rear and high hedging on all borders to afford a good degree of privacy. There is also a garage/store to the rear.
