THE PROPERTY

A handsome semi-detached house which has been sympathetically restored by the present owner providing adaptable accommodation over two floors. The front is super charming and very alluring, originally dates back to the 1930's and has been tastefully modernised and extended to produce a luxury home where multiple generations can exist in harmony. The total accommodation which spans off a large generous entrance hall are a downstairs bedroom, downstairs shower room, lounge, dining room and kitchen/family room to the rear. To the first floor there are three double bedrooms and a shower room. The master bedroom benefits from its own private en-suite facilities. The highlights include the kitchen that has been recently an stylishly modernised and acts as an excellent heart of the home. The flexibility and adaptability of the layout offers extra dimensions to busy lifestyles, elderly parents, children or staying guests.

OUTDOOR SPACE

There is plenty of parking off street parking to the front, a double length tandem garage with a front garden principally laid to lawn with various

flower/shrub borders. The westerly aspect rear garden with a patio immediately to the rear extending to approximately 96 ft offers a good degree of privacy. It has taken many years of investment to produce this garden and absolutely needs to be seen.

Banstead Village is within walking distance and offers an array of local shops, restaurants, cafes and all local amenities, alternatively Asda superstore and Tattenham parade of shops are both nearby. There are excellent connections to the A217 road network which connects to the M25, M23 and A3, as well excellent local schools both at primary and secondary level. The area is is relaxed and a lovely neighbourhood which allows you to take evening walks without a second thought with miles of open countryside on your doorstep alongside Nork park.

FROM THE SELLER

We found this wonderful home with Williams Harlow back in 2018, from the moment we first stepped into the large hall with the high ceilings we fell in love with the place, it needed a huge amount of work, every single screw and wire has been changed, to make the place we now proudly call home. Our house has many memories with wonderful family Christmas' where are able to have the whole family together as we have plenty of room for the nephews and nieces to stay and play. In the winter months we love to cosy in front of our log burner whilst the summer months allow us to open up the doors to expand into the large garden. The garden certainly doesn't look like it did and we are proud to say now the hard work has been paid off to make it low maintenance. Sadly, we have having to re-locate out of the area and it breaks our hearts to have to leave our fabulous neighbours, beautiful house and wonderful garden.

WHY YOU SHOULD VIEW

It is our thoughts the property encompasses everything good about the area. Our feeling is the new owner will settle quickly and enjoy many years here. The double length tandem garage which currently interconnects with the kitchen provide further benefits for either extra living accommodation, studio or large indoor office and is a suitable size where the rear conversion would not impact upon a garage for one vehicle or storage.
